

## D. SUEHIRO ELECTRIC, INC.

**Position Title:** Electrical Estimator

**Location:** Honolulu, Hawaii

**Duration:** Full Time

**Salary Range:** \$70,000 - \$125,000 (Salary to commensurate with training and experience)

### **Responsibilities Include:**

- Analyze project plans, specifications, and other documentation to prepare accurate and detailed cost estimates for construction projects.
- Collaborate with project managers, engineers, and subcontractors to gather necessary information for estimating purposes.
- Utilize industry-standard software such as Procore to perform takeoffs and generate estimates.
- Evaluate labor, material, and equipment costs to determine project expenses.
- Build relationships with suppliers and subcontractors to obtain competitive pricing.
- Negotiate contracts with vendors and subcontractors to ensure cost-effective solutions.
- Monitor project costs throughout the construction process and implement cost control measures as needed.
- Provide support to the project management team by assisting with budgeting, scheduling, and procurement activities.

### **Education & Skill Qualifications:**

- Minimum five (5) years of relevant construction experience.
- Strong knowledge of construction estimating principles and techniques.
- Proficiency in using estimating software, such as McCormick or Conest.
- Ability to read and interpret construction plans, specifications, and other technical documents.
- Excellent analytical skills with attention to detail.
- Strong negotiation and contract management skills.
- Knowledge of project management principles and practices.
- Effective communication skills to collaborate with internal teams, clients, suppliers, and subcontractors.
- Experience with AutoCAD, Bluebeam or similar drafting software is preferred but not required.
- Strong proficiency with Microsoft Office Suite (Excel, Outlook, Word) and Adobe Acrobat.

### **Benefits Include:**

- Medical, Dental, 401(k) Employer Match, Paid Vacation and Sick Leave
