

D. SUEHIRO ELECTRIC, INC.

Position Title: Sr. Electrical Estimator

Location: Honolulu, Hawaii

Duration: Full Time

Salary Range: \$125,000 - \$175,000 (Salary to commensurate with training and experience)

Responsibilities Include:

- Lead and mentor a team of electrical estimators, providing guidance, training and support to ensure high quality and consistent estimating practices.
- Oversee the entire estimating process from initial bid to project award, including reviewing project plans, specifications, and other documents to determine project requirements and scope.
- Coordinate with project managers, engineers, subcontractors and suppliers to gather necessary information and develop comprehensive cost estimates.
- Analyze labor, material and equipment costs to accurately estimate project budgets and pricing strategies, utilizing industry leading estimating software and tools.
- Review and approve estimates prepared by team members, ensuring accuracy, completeness, and competitiveness.
- Collaborate with the management team to assess project opportunities, develop bid strategies, and participate in client meetings and negotiations.
- Stay current with industry trends, market conditions, and pricing fluctuations to maintain competitiveness and profitability.

Education and Skill Qualifications:

- Minimum of eight (8) years of relevant electrical estimating experience, with a proven track record of successfully bidding and winning projects
- Strong technical knowledge of electrical systems, codes and standards
- Excellent analytical skills with the ability to interpret complex project requirements and documents
- Exceptional attention to detail and accuracy in estimating
- Effective communication and presentation skills, with the ability to convey technical information clearly and persuasively
- Strong proficiency with Microsoft Office Suite (Excel, Outlook, Word), and Adobe Acrobat.
- Must have the ability to read plans and specifications
- Strong proficiency with construction estimating software, such as Procore
- Experience with AutoCAD or similar drafting software is preferred but not required
- Proven ability to work collaboratively in a team environment, fostering positive relationships with internal and external stakeholders

Benefits Include:

- Medical, Dental, 401(k) Employer Match, Paid Vacation and Sick Leave
